Developing tomorrow's workforce

THE CHALLENGE

Despite addiction's prevalence, most healthcare professionals receive little training or exposure during their undergraduate or postgraduate studies.

OUR IMPACT

We deliver education, training and placements that equip specialists and health workers with the skills and knowledge to provide capable, compassionate addiction care.

For more information, visit turningpoint.org.au/30-years-of-impact/tomorrows-workforce.

Addictive Behaviours Graduate Courses

Delivered online with Monash University, these acclaimed courses equip professionals across multiple sectors with expertise in addiction science, treatment and policy.

PEOPLE COMPLETED CERT
IV AOD COMPETENCIES

Building AOD leaders for the future

Since 2013, the Change Agent Network has developed emerging leaders in Victoria's AOD sector—empowering them to champion reform, drive culture change and shape future practice.
